

ANALYSIS OF 2014 GPE REPLENISHMENT PLEDGES

Country	2014 replenishment pledge? <i>The pledge summaries here are based on the more detailed pledges made in the 2014 GPE pledging Summit. Full texts available here</i>	Pledge progress
Afghanistan	No pledge made	N/A
Albania	No pledge made	N/A
Bangladesh	No pledge made	N/A
Benin	1. Maintain education budget at 27% 2014-2018. [GPE estimates US\$325M in additional resources 2015-2018] 2. Maintain share of primary school funding at 50% until 2018.	Off track
Bhutan	No pledge made	N/A
Bolivia	No pledge made	N/A
Burkina Faso	More resources to education sector over next 4 yrs - CFA Franc 274bn in 2014, to 333bn in 2016, and 403bn in 2018. From 15% to 20% over next 4 yrs. [GPE estimates US\$489M in additional resources 2015-2018.]	Progress unclear on pledge to date.
Burundi	Maintain high education budget (34.7% of national budget). [GPE estimates US\$73M in additional resources 2015-2018.]	Off track on pledge.
Cabo Verde	No pledge made	N/A
Cambodia	Education budget to increase from 16.3% in 2014 to 25.7% in 2018. [GPE estimates US\$1,024M in additional resources 2015-2018.]	Progress unclear on pledge to date
Cameroon	1. Increase ed. budget from 18.4% in 2011 to 22% in 2020. [GPE estimates US\$1,315M in additional resources 2015-2018.] 2. Increase allocation for primary education from 34.7% to 41.5% in 2020.	Off track
Central African Republic	No financial pledge made	N/A
Chad	Increase education budget from 12% (2012) to 20% of national budget, with at least 48% of education budget allocated to primary (from 39% in 2012). [GPE estimates US\$788M in additional resources 2015-2018.]	Progress unclear as baseline data unclear
Comoros	Raising sector funding from 20.4 % in 2010 to 25% in 2020. In the 2014 Union of Comoros Financial Law, 28% of the national budget is already devoted to education. devoting at least 40% of public expenditures in primary schools (knowing that teacher salary advances, mainly in primary schools, were provided in 2014).	Progress unclear as data out of date
Congo, Democratic Republic of	1. 4.5% of GDP for education by 2018. 2. At least 18% of total govt budget for education by 2018 (currently at 7%). [GPE estimates US\$1,414M in additional resources 2015-2018.] 3. At least 47% of ed. budget for primary education by 2018	Progress unclear as baseline figures are unclear.

Congo, Republic of	No pledge made	N/A
Côte d'Ivoire	1. More than 5% of GDP for education, and 3% for basic ed. 2. Average 21% of total budget for education over period, and at least 40% of this for primary. [GPE estimates US\$2,612M in additional resources 2015-2018.]	Pledge off track.
Djibouti	No pledge made	N/A
Dominica	No pledge made	N/A
Dominican Republic	No pledge made	N/A
Eritrea	No financial pledge made	N/A
Ethiopia	<i>Pledge partially on track.</i> Maintain funding levels -at least 25% of total budget and at least 50% of that for primary education. Exp. review every 4 years, next in 2015. [GPE estimates S\$37M in additional resources 2015-2018.]	
The Gambia	No pledge made	N/A
Georgia	No pledge made	N/A
Ghana	Maintain at least 24% of total budget for education currently 7.9% of GDP), and possibly increase.	Progress unclear as baseline figures are unclear.
Grenada	No pledge made	N/A
Guinea	Education program 2015-2017 (\$1bn, with US\$764m govt contribution). 2. Increase public funding of Education from 15.2% of budget in 2013 to 19.2% in 2017 (from 3.2% to 4.6% of GDP) and increase allocation to primary from 43.3% to 46.3%. [GPE estimates US\$87M in additional resources 2015-2018.]	Off track
Guinea-Bissau	No pledge made	N/A
Guyana	No pledge made	N/A
Haiti	No pledge made	N/A
Honduras	No pledge made	N/A
Kenya	Increase ed. funding from 25.9% in 2013/14 by 1% each year, so 29% by 2018. [GPE estimates US\$2,935M in additional resources 2015-2018.]	Off track.
Kyrgyz Republic	No pledge made	N/A
Lao PDR	No pledge made	N/A
Lesotho	No pledge made	N/A
Liberia	1. Establish integrity of teacher salary payments to reduce inefficiencies. 2. Committed to using the saved resources for basic education, increasing domestic ed.finance by est.3% over next 2-3 fiscal yrs. [GPE estimates US\$37M in additional resources 2015-2018.]	Off track.
Madagascar	At least maintain 2013/14 levels of ed. finance (25.9% of total govt budget for education and 20.7% of total govt budget specifically for basic ed.). [GPE estimates US\$67M in additional resources 2015-2018.] 2. Maintain at least 45% of ed. budget for primary.	Off track.
Malawi	No pledge made	N/A
Mali	Currently maintain 4.2% of GDP, and 24% of national budget for education. [GPE estimates US\$218M in additional resources 2015-2018.]	Off track.
Mauritania	No pledge made	N/A
Moldova	No pledge made	N/A
Mongolia	No pledge made	N/A
Mozambique	No pledge made	N/A
Myanmar	No pledge made	N/A
Nepal	Maintain 15% share of education in national budget. [GPE estimates US\$81M in additional resources 2015-2018.]	Progress on pledge unclear due to baseline data

Nicaragua	Alineamiento y coherencia del Marco Presupuestario de Mediano Plazo 2013-2016 con el Plan Estratégico para la Transformación Evolutiva de la Educación, desde el cual se proyecta una inversión no menor al 13% para el nivel de Educación Inicial.	Progress unclear as baseline is difficult to track
Niger	25% of budget share allocated to the education sector and will increase it to 27% in 2018. At least 50% of education expenditure are allocated to basic education and should remain at this level.	Off track (unclear on 50% commitment)
Nigeria	Nigeria has consistently increased the budgetary allocation to education every year since 2011. Currently, it stands at more than 100% increase from what it was in 2011. From 2011 to now, the allocation to education has been between 9-10% of the annual budget. Nigeria pledges to continue to annually increase the investment in the education sector	It is unclear how the baseline estimate was formulated and pledge is not clear enough to track
Pakistan	Education budget to go from 2% to 4% of GDP. [GPE estimates US\$9,495M in additional resources 2015-2018.]	Off track: Pakistan is far off track of commitment
PNG	No pledge made	N/A
Rwanda	Continue to increase proportion of domestic resources for education.	Possibly off track needs further analysis Budget have gone down in recent years but this could be based on donor trends
Saint Lucia	No pledge made	N/A
Saint Vincent and Grenadines	No pledge made	N/A
Sao Tome and Principe	No financial pledge	N/A
Senegal	Maintain at least 6% share of GDP to education, and at least 23% of domestic finance for ed. sector. [GPE estimates US\$451M in additional resources 2015- 2018.] 2. Maintain at least 45% of education budget for basic ed.	Possibly on track: needs confirming against 2016-17 figures, and 45% commitment
Sierra Leone	Public expenditure for education up to 14.5% in 2015 (13.8% in 2013/14). [GPE estimates US\$82M in additional resources 2015-2018.]	This appears to have been met in 2015.
Soloman Islands	No pledge	N/A
Somalia	Increase education budget for 2015-16 by 4.5%. The baseline indicator is vague. Official expenditure figures are somewhat unclear but suggest that education was allocated very low proportions of the national budget - 2.7% in 2014 , 1.4% in 2015 and 0.6% in 2016 . It appears that the proportion allocated to education has fallen between 2014 and 2016.	Unclear as data not available
South Sudan	Increase education budget from 7% (2013/14) to 9% (2014/15).	Off track
Sudan	Pledge to increase the domestic financing of the development expenditure on basic education from 6% of the total government expenditure on education in 2013 to 16.9% by 2018. This represents an annual increment of 2.18% per year over the GPE Replenishment period (2015-2018).	Unclear as no data available from 2014 through to 2016
Tajikistan	1. Ed is currently 18.1% of national budget, 5.2% of GDP. Plan to increase spending on ed. by 7% by 2020. [GPE estimates US\$469M in additional resources 2015-2018.] 2. Maintain at least 80% on primary and secondary.	Unclear possibly on track to the 2020 commitment. No data for analysing the 80% commitment.
Tanzania	1. Ed budget currently 18-19% of total budget -commit to at least maintaining, and will seek to increase to 20% in future years. [GPE estimates US\$1,022M in additional resources 2015-2018.] 2. Primary education expenditure has exceeded 50% in past 2 years and commit to continue to do so.	Off track on overall ed commitment. Unclear on 50% commitment to primary needs validating
Timor-Leste	No pledge made	N/A
Togo	1. Maintain current level of funding (27.8% of total govt exp). [GPE estimates US\$167M in additional resources 2015-2018.] 2. Primary education expenditure currently 49.7% and commit to at least maintain.	Unclear as baseline doesn't match figures.

Uganda	1. Ed budget to increase from 14.14% of total govt exp.in FY2014/15 to 15.5% in 2017/18. [GPE estimates US\$176M in additional resources 2015-2018.] 2. Allocation to primary subsector projected to increase from 50.4% in FY 2014/15 to 51.5% in the medium term.	Off track
Uzbekistan	No pledge made	N/A
Vietnam	At least 20% of state budget for education over next 3 yrs. [GPE estimates US\$435M in additional resources 2015-2018.]	Off track.
Yemen	Maintain 15.6% of spending, 4% of GDP.	Unclear as no new data since pledge.
Zambia	1. Increase budget for education from 20% (2014) to 22% in 2018. [GPE estimates US\$918M in additional resources 2015-2018.] 2. Allocate more than 50% for primary.	Off track.
Zimbabwe	Increase domestic public expenditure on education from 9.6% in 2014 to 20% by 2018.	On track: partially - kept to 20% according to some figures

1.
