COVER SHEET: GCE POLICY MOTIONS

Comprehensive School Safety Framework 2022-2030

The GCE World Assembly 2022 provides an opportunity to complete and update GCE’s policy framework. The GCE Secretariat is circulating copies of policy resolutions and statements that have already been agreed by the membership. After integrating member comments, this will be presented as a policy motion for debate and adoption at the World Assembly.

If there are policy areas relating to core GCE focus issues that members feel are not covered by existing resolutions, members may submit proposed amendments to the 2022 policy motion by September 30th, 2022. All proposed amendments or motions must be approved by the relevant authority of the GCE member, and should be submitted on a separate sheet, accompanied by a supporting explanation of a maximum 150 words, along with this cover sheet. If different members submit very similar policy proposals, they may be merged (‘composited’).
